A student who has attempted at least twelve (12) semester units as shown by the official academic record shall be placed on Academic Notice if the student has earned a grade-point average of below 2.0 (C) in all units that were graded on the basis of the grading scale.

A student who has two (2) consecutive terms with an earned grade-point average of below 2.0 (C) and are placed on Academic Notice Level Two (2) may have a hold placed on their registration. The student will need to attend an Academic Success Workshop in its entirety to have the registration hold released; however, the student will remain on Academic Notice Level Two (2) until the requirement is met for removal of Notice.

Progress Notice

While on notice, the college will make every reasonable effort to provide counseling and other support services to a student on notice to help the student overcome any academic difficulties. This assistance may include the regulation of the student's study load in accordance with the demonstrated aptitudes and achievements.

A student who has two (2) consecutive terms when the percentage of all units in which a student has enrolled and for which entries of "W," "I," "NC" and "NP" are recorded reaches or exceeds fifty percent (50%) and are placed on Progress Notice Level Two (2) may have a hold placed on their registration. The student will need to attend an Academic Success Workshop in its entirety to have the registration hold released; however, the student will remain on Progress Notice Level Two (2) until the requirement is met for removal of warning (probation) status.

Students receiving financial assistance are also subject to additional Satisfactory Academic Progress (SAP) requirements.
