COMMUNICATION STUDIES

Program Description

View on YouTube (https://www.youtube.com/watch?v=lxUcble1AdI)

What if you could be more successful in your future job? Can you imagine giving a speech without getting flustered (so nervous)? What if your relationships could be more fulfilling and effective? Wouldn’t you like to be better at presenting and defending your arguments? Do you know how gender and culture influence us every day? Imagine understanding media communications, branding, persuasion, and public relations as they work in today’s digital world and how they can bring you success? MSJC offers courses in communication that are highly sought after both in relationships and in the business world. Employers are looking for people with the ability to express themselves clearly, to speak persuasively, to think on their feet, and to work well with others.

Forensics Program

The MSJC Forensic Team is comprised of students, on all campuses, competing in a broad range of oratory events, both individually and as a team. Students compete against other colleges and universities. Major forensic events include debate, extemporaneous speaking (informative and persuasive), and oral interpretation (prose and poetry). It is very challenging, tons of fun and a tremendous academic advantage to students in transferring. Contact the Director of Forensics, Ron Newman (rnewman@msjc.edu for details)

Transfer Preparation

MSJC offers a wide range of course work that prepares students for the workforce or for transfer to four-year colleges and universities. All four-year institutions prescribe their own standards for course evaluation and admissions. Courses that fulfill major requirements for an associate degree in a program at MSJC might not be the same as those required for transfer into a similar major at a four-year university. Please meet with a Counselor to confirm transfer requirements.

Transfer students are advised to do research on prospective majors and careers. The MSJC Career/Transfer Center and MSJC catalog can be helpful tools. Students interested in transferring to CSU’s or UC’s can access major preparation by visiting http://www.assist.org. All students are advised to meet with a counselor at least once a semester to create and update their comprehensive education plan.
