

AUDIO PRODUCTION

Program Description

Looking to break into the recording industry? Want to produce better audio for yourself and clients? In the Audio Technology program, we recognize that the need for quality audio design is essential for any content creator in the field today. We focus on current industry trends in hardware and software to equip you with the tools and certification you need to become a next-generation producer. Our program prepares you to be a leader in technology through industry designed courses that are essential to today's market. Be an ambassador for good sound.

See the Digital Media Department Page (<https://www.msjc.edu/digitalmedia/>)

Transfer Preparation

Transfer students are advised to do research on prospective majors and careers. The MSJC Transfer Center and MSJC catalog can be helpful tools. Students interested in transferring to CSU's or UC's can access major preparation by visiting ASSIST (<http://www.assist.org>). All students are advised to meet with a counselor at least once a semester to create or update their comprehensive education plan.
