

FILM, TELEVISION AND ELECTRONIC MEDIA, A.S.-T

An A.S.-T in Film, Television and Electronic Media for Transfer will fulfill the requirements for students to transfer to a CSU institution as a Film, Television and Electronic Media major. The courses in the A.S.-T in Film, Television and Electronic Media for Transfer provide students with an ability to solve quantitative problems and think critically in regards to major concepts in video and audio theories, including television broadcasting, radio broadcasting, studio recording, video camera technology and application, microphone technology and application, pre and post production applications, communications, and principles in acting for film and television.

This Associate in Science in Film, Television and Electronic Media for Transfer degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. A student completing this degree is guaranteed admission to the CSU system, but not a particular campus or major. Students should meet with a counselor to develop an educational plan and receive university admission and transfer requirements.
