

# PHOTOGRAPHY CERTIFICATE

A Photography Certificate will be awarded for the completion of six core courses and one elective course for a total of 19 units. The MSJC Photography program offers adult learners digital production and workflow skills. Photography students are immersed in project-based, active, and real-world production challenges as well as creative skill set development. Career-oriented photographers embark on a path of inquiry that explores visual communication by creating images with professional visual impact, industry-standard quality, and mastery of digital asset management.
