The Culinary Arts and Hospitality Program is a certificate program that will enable students to enter the culinary workforce with the confidence needed to build a successful career. The topics covered range from classical to modern techniques. This program will have a dual focus on both culinary and baking and pastry which will prepare students for employment in various departments of a food service establishment. Upon completion of this program, graduates will have a well-rounded education enabling them to work in any establishment, from casual to fine dining restaurants.

Transfer Preparation
MSJC offers a wide range of course work that prepares students for the workforce or for transfer to four-year colleges and universities. All four-year institutions prescribe their own standards for course evaluation and admissions. Courses that fulfill major requirements for an associate degree in a program at MSJC might not be the same as those required for transfer into a similar major at a four-year university. Please meet with a Counselor to confirm transfer requirements.

Transfer students are advised to do research on prospective majors and careers. The MSJC Career/Transfer Center and MSJC catalog can be helpful tools. Students interested in transferring to CSU's or UC's can access major preparation by visiting http://www.assist.org. All students are advised to meet with a counselor at least once a semester to create or update their comprehensive education plan.
