

ECONOMICS, A.A.-T

An A.A.-T in Economics for Transfer will fulfill the requirements for students to transfer to a CSU institution as an Economics major.

The courses in the A.A.-T in Economics for Transfer provide students with an ability to solve quantitative problems and think critically regarding macro and micro economic ideas and issues they encounter and to demonstrate problem solving through the means of problem based activities.

This Associate in Arts in Economics for Transfer degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. A student completing this degree is guaranteed admission to the CSU system, but not a particular campus or major. Students should meet with a counselor to develop an educational plan and receive university admission and transfer requirements.
