Language is power. In English and Literature, we ask relevant questions to understand how power works and for what purposes. We explore meanings and unearth assumptions by analyzing issues that demand attention, such as race, religion, sex, gender, and class. We delve into fiction, drama, poetry, and non-fiction to grow, learn how to navigate uncertainty, and build empathy. We offer spaces where you can engage in academic and creative thinking and writing. We do this because we know strong reading, writing, and thinking skills will empower you to be a leader in your community and in a wide range of careers. Most importantly, we strive to help you develop your voice so you can be heard.

Transfer Preparation

MSJC offers a wide range of course work that prepares students for the workforce or for transfer to four-year colleges and universities. All four-year institutions prescribe their own standards for course evaluation and admissions. Courses that fulfill major requirements for an associate degree in a program at MSJC might not be the same as those required for transfer into a similar major at a four-year university. Please meet with a Counselor to confirm transfer requirements.

Transfer students are advised to do research on prospective majors and careers. The MSJC Transfer Center and MSJC catalog can be helpful tools. Students interested in transferring to CSU's or UC's can access major preparation by visiting ASSIST (<http://www.assist.org>). All students are advised to meet with a counselor at least once a semester to create or update their comprehensive education plan.
