Journalism is a unique form of communication because it uses storytelling to present the news and its journalists who are the storytellers and historians that help people make sense of the events happening in the world around them. The journalism program at MSJC has many opportunities for engagement, learning, and storytelling. The Talon student newspaper is an exciting part of the program and provides you with hands-on journalistic experience while allowing you to become more involved at MSJC and within your community. Within the Journalism program, you will learn what it takes to be an effective writer and journalist, learn how to do interviews, and learn how to create stories in print and in digital format. Careers in journalism are endless and range from lawyer, journalist, film critic, sportswriter, and publicist to public relations, advertising, news anchor, and social media editor.

Transfer Preparation
MSJC offers a range of course work to prepare students for the workforce or to transfer to four-year colleges and universities. All four-year institutions prescribe their own standards for course evaluation and admissions. Courses that fulfill major requirements for an associate degree in this program might not be the same as those required for transfer into a similar major at a four-year university.

Transfer students are advised to do research on prospective majors and careers through the Career/Transfer Center and the MSJC catalog. Students interested in transferring to CSU's or UC's can access major preparation by visiting http://www.assist.org. All students are advised to meet with a counselor at least once a semester to create or update their comprehensive education plan.
