BOOKS AND SUPPLIES

The MSJC Bookstore is 100% virtual. Getting course materials is quick, easy, and worry-free using the online bookstore. Students may view required materials, select items, and checkout quickly and easily. Free standard shipping (5-7 days) is offered for the first three weeks of the registration period. After that, there is a flat shipping rate of $19.50 for 2nd-day delivery. Items are shipped to the address provided during the check-out process.

The virtual Bookstore proudly works with students in programs such as Veterans, EOPS, CalWORKs, and the Department of Rehabilitation with their program vouchers. We understand that navigating these program requirements can be challenging at times, but we are here to support students along the way.

For more information, such as ordering your course materials, refund policy, textbook buyback, and online customer service, please visit our website: MSJC Bookstore (https://msjc.edu/bookstore/)
