

ACCOMMODATION SERVICE CENTER (ASC)

The ASC office provides support services, academic advisement, and educational accommodations to students with disabilities to ensure equal access to education pursuant to Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. The student's specific disability must be verified, and their approved academic accommodations are in direct relation to an educational limitation that impedes the student from fully participating in general education. Course Substitution Policy

When the severity of a documented and relevant disability prevents successful completion of a mathematics course required for the purpose of graduation and/or certification, a student may request a course substitution for math 96 as an alternative method of meeting the mathematics requirement for graduation. The Course Substitution Policy and Procedures for Students with Documented Disabilities and related documents are available upon request in the Accommodation Service Center (ASC) office or in the Enrollment Services Office.
