

PUENTE PROGRAM

Puente is designed to help students adjust to college life, apply their existing cultural knowledge to academic outcomes, and prepare for transfer to four-year universities. The program explores multicultural experiences in a close-knit familia/family cohort model by combining writing instruction, personal growth instruction and counseling, and mentoring. Puente's goal is to provide strong academic support that affirms community, cultural/culture, and lifelong learning. Puente is open to, and welcomes, all MSJC students.
